# At the Feet of the Masters

## INTRODUCTION

**It is said in many Religious Traditions that to sit at the foot of a Master for even a moment is worth more than a lifetime of learning through books or teachings.**

**This is so because sitting in the presence of a Master has the ability to transform a soul from within energetically without any words being exchanged.**

**Energetic exchange is the key to this understanding. Intellectual knowledge does not hold anywhere near the same capacity.**

**At the mystical request of the late Huzur Maharaj Sawan Sing Ji, a Sikh Master and one of the Satsang Guru's, I am compiling a book with a very simple concept: to make it possible for every person around the world to experience the energetic presence of the Masters of all faiths and creeds: the Prophets, Saints, Mystics, Sages, Ascetics and Monks who hold within them the energetic key to our awakening. So sit quietly with me and a few of my very dear friends, and allow yourself to absorb that which they have become. In doing so, you will make that potential possible for yourself, as well.**

# At the Feet of the Masters

**It is said in many Religious Traditions that to sit at the foot of a Master for even a moment is worth more than a lifetime of learning through books or teachings.**

**This is so because sitting in the presence of a Master has the ability to transform a soul from within energetically without any words being exchanged.**

**Energetic exchange is the key to this understanding. Intellectual knowledge does not hold anywhere near the same capacity.**

**At the mystical request of the late Huzur Maharaj Sawan Sing Ji, a Sikh Master and one of the Satsang Guru's, I am compiling a book with a very simple concept: to make it possible for every person around the world to experience the energetic presence of the Masters of all faiths and creeds: the Prophets, Saints, Mystics, Sages, Ascetics and Monks who hold within them the energetic key to our awakening. So sit quietly with me and a few of my very dear friends, and allow yourself to absorb that which they have become. In doing so, you will make that potential possible for yourself, as well.**

**PEACE!**
